One&Only
HAYMAN ISLAND
Great Barrier Reef

NESTLED AT THE NORTHERNMOST POINT OF AUSTRALIA'S WHITSUNDAY ARCHIPELAGO, BEYOND VERDANT CLIFFS REACHING INTO ENDLESS SKY, IS ONE&ONLY HAYMAN ISLAND IN THE GREAT BARRIER REEF – AN IDYLL IN A CELESTIAL-BLUE SEA.

Swim. Dive. Explore the sea. You have entered an enchanted natural world on a private island – a land alive with vividly coloured birds, wallabies, and the magnificent variety and beauty of sea life in the Great Barrier Reef. Take a seaplane or a helicopter over lush islands where the plaintive cry of sulphur-crested cockatoos and rainbow lorikeets can be heard in the trees.

Marvel at the shades of a thousand different shimmering fish – like the yellow-tailed fusiliers that brush close enough to touch. As the sky begins to glow with myriad shades of pink and orange, slip into a private pool where your eye is again drawn to the Whitsundays. Perhaps this will be your moment to indulge in an Ocean Dreaming Massage – perched on the surface of tranquil waters amid gentle tides and warm tropical breezes.
