## **ONE&ONLY PALMILLA WELCOMES WORLD RENOWNED BASTIEN GONZALEZ PEDICURE TREATMENT TO ITS LUXURIOUS SPA**

Under the direction of world-renowned pedicurist Bastien Gonzalez, One&Only Palmilla recently introduced the ‘Pedicure de Bastien.’ This exclusive treatment available only to guests of One&Only Palmilla incorporates both medicinal and aesthetic techniques leaving feet in an elevated state of health and well-being.

“My unique treatment gives the client a fresh awareness of their feet, while helping to answer the multiple needs of each individual,” says Bastien, who called upon his experience with podiatry as a child when developing the new treatment. “The unique difference of the ‘Pedicure de Bastien’ is that it combines the actual treatment with the quality of touch, the concern for detail and the meticulousness firmly rooted in an aesthetic philosophy.”

The ‘Pedicure de Bastien’ is comprised of three steps: medical, aesthetic and attention to overall well being. First, Bastien eliminates any nail problem or rigidity of the epidermis using traditional medical techniques practiced in podiatry. Next, Bastien addresses the aesthetic of the nail, increasing the overall shine and color without a hint of polish. Finally, Bastien massages the leg and feet using therapeutic movements practiced during physical rehabilitation to relieve tension and heaviness while increasing blood flow.

“The combination of One&Only Palmilla resorts and Bastien’s professional expertise was a natural partnership,” said Edward Steiner, Senior Vice President, Latin America and the Caribbean, One&Only Resorts and Managing Director, One&Only Palmilla. “The luxurious pampering found in a ‘pedicure de Bastien’ embodies everything that One&Only itself represents.”

‘Pedicure de Bastien’ is available to guests at select One&Only Resorts including, One&Only Le Saint Géran and Le Touessrok in Mauritius, One&Only Royal Mirage in Dubai, One&Only Kanuhura and One&Only Maldives at Reethi Rah in the Maldives and now at One&Only Palmilla in Los Cabos. Bastien travels frequently to the One&Only resorts to supervise his staff. All of his on-site staff undergo a rigorous two-year training program to learn his exclusive technique.
